

MHS Alumni Newsletter

March 2007

Welcome to the fifth annual Milford High School Alumni Newsletter. This newsletter is being provided by several organizations who would like to keep in touch with the graduates of MHS and they would also like you to keep in touch with your high school. The organizations contributing to this newsletter are the Milford Alumni Association, Milford Schools Foundation, and Milford Public Schools.

Milford, Nebraska A Great Place To Live

For many alumni, you spent your entire growing up years in Milford while others may have been here only a year or two before graduating. Many have continued to live in the Milford area while others have moved on to bigger, better or just different locations.

If you have moved away from the Milford area and you have retired, looking to change jobs or are just now starting to raise a family it might be time to give Milford another look.

The school system in Milford/Pleasant Dale is top notch. Many changes have been made since the time you graduated. There have been additions to the schools, a new administrative team, cutting edge technology has been incorporated and a great teaching and support staff is in place to educate our children.

Milford is also home to one of the states finest 9 hole golf courses, swimming pool, parks, ball fields, numerous churches in Milford/Pleasant Dale and the surrounding area, Milford Family Medical Center, Pharmacy, Dental Clinic and a wide variety of other stores and businesses to meet the communities needs. Many of these businesses are owned, operated and staffed by Milford High School Alumni.

For more information on Milford go to www.milford-ne.com or contact the Milford Economic Development Committee Chairperson, Dean Bruha @ 402-761-2128.

We need your help finding....

The MHS Alumni Database is still missing contact information for over 400 Alumni. You can help us by going to the MPS website and reviewing the names for us. If you have current contact information, please send it to Glenda Maury at gmaury@esu6.org. To find the list, go to milfordpublicschools.org and click on Alumni to find the list.

Scholarship Fund

The Milford Schools Foundation gave 27 scholarships this past year to qualifying Milford seniors at graduation. These scholarships are available because of generous donations from individuals and businesses. Each year the Foundation actively seeks donations from interested people who are willing to help students with furthering their education. Donations are accepted on a year round basis in any amount.

Milford Schools Foundation is a nonprofit corporation dedicated to the betterment of public education through charitable giving. The mission of the Milford Schools Foundation is to build and manage an endowment fund and to accept and distribute gifts for the benefit of the students in the Milford School District.

The one year scholarships are available to any senior, based on their application and abilities as indicated by school records and teacher recommendations.

Payment is made when the student presents satisfactory grades for the first quarter or semester of post secondary training. For additional information or if you would like to contribute, please send your donations to Glenda Maury, 401 North E, Milford, NE 68405.

Alumni Reunions

If you are planning a high school reunion, need the names of your classmates, along with current addresses and emails, or if you know of updates, you may call Glenda Maury 761-2472 or 761-2452, or email Glenda at gmaury@esu6.org. We keep a database of all graduating seniors and try to keep those updated.

Milford Schools Staff & Faculty Scholarship Endowment Fund

Milford Schools Foundation is pleased to report that it has raised in excess of \$15,000 as an Endowment for Scholarships for Faculty and Staff of Milford Schools System. The income from this fund will assist Staff and Faculty in attending seminars, to further their education through classes, and to attend other educational meetings. In order to assist the Faculty and Staff to a greater degree, more funds are needed. The Milford Schools Faculty and Staff have made invaluable contributions to our lives. A gift to this fund is a great way to honor Staff and Faculty. Please send your gifts to Glenda Maury, 401 North E, Milford, Nebraska 68405 with a designation "Staff and Faculty Scholarship Endowment Fund."

Honor a Teacher

The Milford Schools Foundation invites you to honor a District 5 teacher or staff member by making a tax deductible contribution to the Milford Schools Staff and Faculty Scholarship Endowment Fund in their name. This endowment fund will provide "scholarships" for Milford and Pleasant Dale Faculty and Staff to be used to attend workshops and for other activities which will positively impact the students they serve.

Send donations to Milford Schools Foundation, Glenda Maury, Treasurer, 401 North E, Milford, NE 68405.
